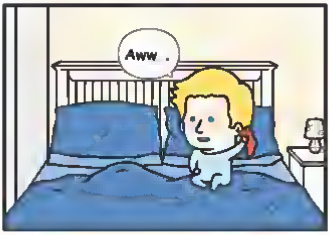
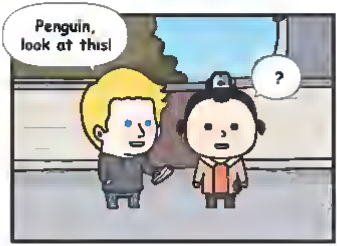
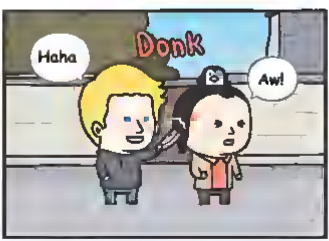
If I don't react to his prank,...



... his joke becomes useless.



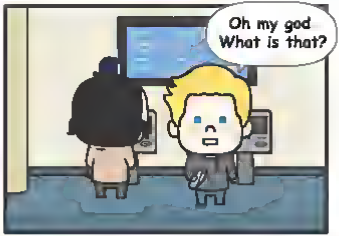
Penguin, look at this!
?



Haha
Donk
Aw!

Pranks of a Couple

I would say that
Mev is the king of pranks.



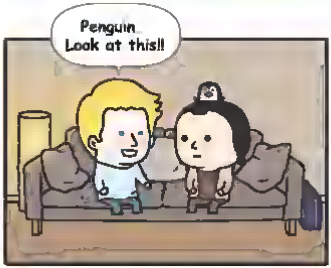
Oh my god
What is that?

Why?
What's up?
Donk
Haha

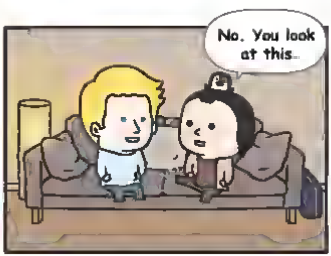
But he can only be the king
because of me.

Clap-

Because it takes
two to tango



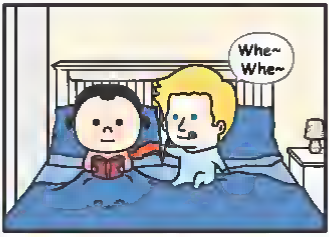
Penguin..
Look at this!!



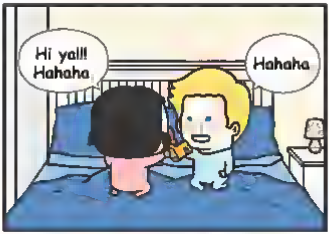
No. You look
at this..

I showed my rejection
with a joke too.

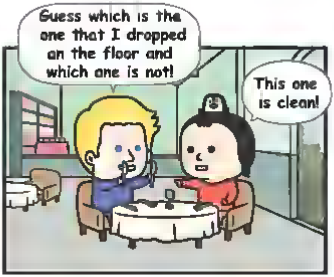
Whee~



Whe~
Whe~

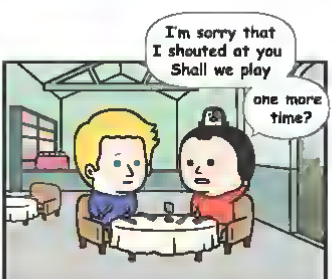


So we fit pretty well
together in this respect.

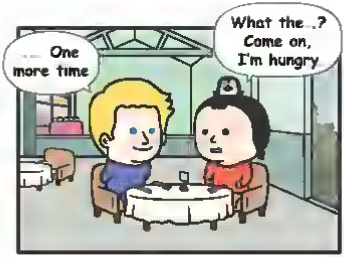


But it is also true
that I don't welcome his jokes
all of the time

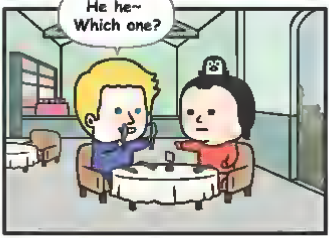
And I could tell that it hurt his feelings,

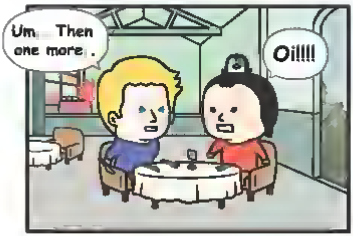


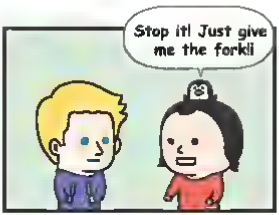
...so I've been trying to be careful not to be rude since then.



So one day.







I was annoyed by his joke
so I shouted at him.
